August 2025

Welcome to August!

We have had an exciting July and have an even more exciting August lined up here at Passmonds House. The weather is holding up nicely and the summer so far has been jam packed with fun and games.

What's New?

We are undergoing a facelift inside and out and the fabulous maintenance team has been coming up trumps! - Thank you John and Colin and also Ahmed and his team!

OUTSIDE

So far, we have had the entrance and car park spruced up with all the trees and bushes cut back and a few finishing touches added, including adding our name and number to the front building. New fences have been put in and new greenery planted. We are now visible and vibrant!

To the rear, we have started a sensory garden and major work has been undertaken to transform our lower garden into a place we can all enjoy. This is still in progress but the end is in sight. I'm sure we will open this new space with a glass of bubbly! Meanwhile, our very own Irene has transformed the decking into a floral paradise! Outdoors is the place to be this summer for sure here at Passmonds!

INSIDE

Indoors have not been forgotten! We have had a transformation to a bathroom, Poppyview and some of the bedrooms. Watch this space for a full reveal of the inside changes next month! I promise it will be worth the wait!

What have we been up to?

We started off the month of July with a visit from the very talented Shaun. He got us all up on our feet and singing along for the whole afternoon. It was a great success and we all hope to see him back soon!

Farrah threw an impromptu "Movies, Munchies and Milkshakes" afternoon to cool down when it was a little too hot for us to lounge in the sun. It was a relaxing treat for a lazy afternoon.

Our amazing night staff provided supper in the garden so that the residents could enjoy the balmy summer evening. Some also enjoyed a nice cold beer. What a perfect end to the day!

Beautician Visits Now Available!

July brought us a shiny new face in the form of Leanne, our new beautician! She will be attending the home every 2-3 weeks to provide services to our residents. This is a lovely complimentary service to our already well established and much cherished Hairdresser, Tracey.

It's important for us all to look and feel our best and what's better than a salon day?

The first session went down a treat! The residents enjoyed a glass of bubbly and a cake whilst being polished and pruned.

We will post the available sessions and pricing at the entrance so please let Tracey and the team know if you would like a slot and we will get you booked in!

A Fond Farewell

It's with a heavy heart that we bid farewell to our beloved Donald. He passed away peacefully surrounded by his loving family and our caring staff.

Thank you to all the staff that went above and beyond and showed compassion and kindness throughout.

Donald was a lovely gentleman that will be missed by all at Passmonds. Until we meet again, may you be at peace.

Join Us for a Soiree!
We are oh so excited to invite one and all to our Garden Party on

Friday 15th August 1 - 5pm.

We have the mayor opening our sensory garden and food, drink, music and games throughout.

**All welcome and much merriment encouraged!
Let's have a good old knees up whilst the sun is shining!**
